### **BOC Communique: 2023 CPD Audit**

It's the time of year again to make sure you have entered at least 25 hours of CPD by 30 March 2023. "Sign in" and find instructions at [www.hgsa.org.au](http://www.hgsa.org.au) "My Genetic Counsellor CPD" under "My Account".

Please note the following:

1/Please ensure you add all your CPD into the [CPD Tracker](#) for 2022 to meet the minimum requirements of 25 points (we recognise that it was difficult that the HGSA website was down for a period of time in 2022 and appreciate your patience while the new website was prepared).

2/Many members attended the HGSA conference and/or KConfab- please refer to the [CPD policy](#) about how reflections should be entered for conference

3/Please note that all HGSA and ASGC webinars require reflections

The Board of Censors would like to thank Lisa Gordon, who is stepping down from her role as Chair of the CPD Committee and on the BoC. Lisa has been Chair of the CPD Committee since it was established and had a key role in developing the CPD policy together with the hard-working CPD committee. Her experience and input on the BoC and her dedication in handling the many CPD queries arising during the transition period to the online CPD system has been very much appreciated. She also made important contributions to the development of the supervision policy. We thank Lisa and are fortunate that she is continuing on the CPD committee for a while longer.

We welcome Angela Overkov as the incoming Chair of the CPD Committee and are grateful to Angela for taking on this role!
